Placing Homeless Pets In Loving Hands

## 1. Meet Available Dogs at Adoption Event

- You can meet and apply to adopt our available dogs on Saturday at our weekly adoption events.
- We accept applications from 12:00 – 3:00. Adoptions are **NOT** first-come, first-served, so no need to arrive before 12:00. We suggest you come to an event when you have time to enjoy visiting with the dogs and not feel rushed.  
*Please note: Our event ends at 3:00 sharp.*
- We highly recommend bringing everyone in your household, including spouse/relatives, children and your current dog(s) to our adoption event.

## 2. Submit Application

- Submit your application **AFTER** meeting with the dog(s).
- In case you have fallen in love with several dogs, you are welcome to add more than one dog to your application...it happens frequently.
- All applications are reviewed after the event is over.

## 3. If Selected as a Match

- **Calls are made Saturday evening - Tuesday night.** Most calls are made Saturday evening or Sunday morning. If you do not get a call by Tuesday evening, you were not selected as a match.

**\*\*\* Calls are only made to applicants selected as a match. \*\*\***

## 4. Home Check / Contract & Donation / Begin Enjoying New Rescue Dog!

- If you are selected as a match, we will call to arrange a time to bring the dog to your home for a home check. Typically home checks are scheduled very soon... within 24 - 72 hours.
